Lonza

We are

Lonza is one of the world's leading and most-trusted suppliers to the pharmaceutical, biotech and specialty ingredients markets. Lonza harnesses science and technology to create products that support safer and healthier living and that enhance the overall quality of life. We offer products and services from the custom development and manufacturing of active pharmaceutical ingredients to innovative dosage forms for the pharma and consumer health and nutrition industries. In addition to drinking water sanitizers, nutraceuticals, antidandruff agents and other personal-care ingredients, the company provides agricultural products, advanced coatings and composites and microbial-control solutions that combat dangerous viruses, bacteria and other pathogens.

With headquarters in Basel, Switzerland, we operate production and R&D sites and sales offices around the world, including Europe, North America and Asia, with nearly 14,000 full-time employees worldwide. For the last 120 years, Lonza has worked to make a difference.

We offer

At Lonza we work with passion, using advanced technologies, to transform life science into new possibilities for our customers. We have been so successful for 120 years because of our people – dedicated to growth, challenge and impact. By offering an environment that fosters creativity and success, we empower our employees to reach their full potential regardless of function, geography or experience level. We value the passion of our people and treat everyone as an individual.

Why are we here

Lonza is constantly growing and searching for talented and innovative-thinking people. Our employees come from a wide range of countries, backgrounds and cultures. Discover the opportunities we offer across a variety of disciplines from R&D to manufacturing, and from technology to business and corporate functions.
